

It's pretty simple, people with a relationship with their doctor are healthier.

That's why we've made your primary care **free**

Health insurance for the self-employed:

In 2018, Decent set out to disrupt the current health insurance environment in **Austin** by doing something that has never been done before — making **quality health care affordable for self-employed professionals and their families.**

Decent's ACA-compliant, association health plans are designed to offer benefits people want and need.

- Premiums up to 50% below market rate for comparable plans
- Unlimited free primary care with a family doctor via Direct Primary Care physician
- Year-round enrollment (no waiting until the November-December open enrollment season)
- Broad network with some of the best healthcare groups in Central Texas

24/7 Dedicated Physician — for Free

**Imagine...**

- Having unlimited, free visits with your doctor
- A doctor visit where you have time to review your medical history and issues! (No more rushing you through a 15-minute exam.)
- Ability to text or call your doctor with a question (versus leaving a voicemail that gets returned the next day, if at all.)
- Guaranteed same or next-day appointments. (Do you really want to wait another day when you're sick?)

Unlimited office visits with your "primary care doctor"

24/7 phone access with your primary care doctor

Preventative care screenings and procedures

Most additional procedures that happen in your primary care physician's office

***Decent is the healthcare people want, and the kind of care that doctors want to provide.***
