

# Our members love Decent!

## Almost as much as we love them right back

### They're shouting it from the mountain tops

Decent has a Net Promoter Score (NPS) of 79 - this is a metric that companies use to measure how likely customers are to recommend their service to a colleague or a friend, and 79 is **unheard of** in the health insurance industry.

**\$0 For members to see their primary care physician**

**Awesome Austin based customer service team**

**\$0 Medical deductible plan options**
