

# Quick Reference Formulary - Decent, Inc. Formulary

This formulary is not inclusive, nor does it guarantee coverage. It is an abridged list of Pharmacy and Therapeutics Committee approved drugs that may be prescribed for members. This document is subject to change. The most updated version of this document is available at [www.costcohealthsolutions.com](http://www.costcohealthsolutions.com) or upon request at 877-908-6024. Drugs will be filled as generics when acceptable generic equivalents are available.

## Reading the Drug List

Generic drugs are listed in all lower case letters. Brand name drugs are listed in all upper case letters. Each drug product is assigned a coverage level, shown to the right of each drug product.

Relative Cost to Member

Tier 1	Formulary Generics	\$
Tier 2	Formulary, brand products	\$\$
Tier 3	Non-preferred formulary products	\$\$\$

Cases where drug products are followed by parentheses indicate that the entry relates to a certain dosage form, e.g. ESTRACE (vaginal cream) or more than one form of the drug e.g. ZOMIG (ZMT). Quantity limits are for prescriptions filled at retail pharmacies.

All newly approved drugs on the market will initially NOT be covered, pending further review by the P&T Committee.
